### **About NITTTR, Kolkata:**

National Institute of Technical Teachers' Training & Research (NITTTR), Kolkata was established in 1965 as Technical Teachers' Training Institute (TTTT), Calcutta. This was the first among four such institutes (other three being at Chandigarh, Bhopal & Chennai) established by the Dept. of Education, MHRD, Govt. of India as fully centrally funded autonomous institutions for providing pre & in-service training to the teachers and staff of Degree and Diploma level training institutions and also for conducting various activities related to quality improvement of the technical education system of the country.

The focal activities of the institute are (i) Education & Short-term Training, (ii) Curriculum Development, (iii) Learning Resources Development, (iv) Research & Development and (v) Extension Services & Consultancy. AICTE has recognized the Short-term training programmes conducted by the Institute for promotion to higher grades under the Career Advancement Scheme (CAS).

### **About JSS Polytechnic for Women:**

Jagadguru Dr. Sri Sri Shivarathri Rajendra Mahaswamiji had a foresight that if women were given professional education, a strong nation could be built. Such a vision led to the initiation of JSS Polytechnic for Women at Mysore in 1980. The Institution attained grant in aid status in 1983. After having rendered commendable services, the Polytechnic celebrated its Silver Jubilee in the year 2005.

The Polytechnic, which got Accreditation from NBA for 5 of its Programmes for 2 years up to June 2018, is in the premises of the JSS Technical Institutions' Campus and has a commendable infrastructure supported with full fledged staff, state-of-the-art laboratory and library. The Polytechnic is offering 8 diploma courses with a total strength of about 1000 students to suit the demands and trends of the modern world.

In addition to imparting formal diploma education, informal training programs are being organized under the scheme "Community Development Through Polytechnic" sponsored by MHRD, in order to provide employment opportunities for the needy.

### **Course Objectives:**

After attending the Programme, participants are expected to be able to demonstrate the safety management, evaluate the risk assessment, identify the emergency and safety equipment, demonstrate fire safety management and explore waste management in the laboratory work area.

### **Course Contents:**

Safety Management, Risk Assessment for the Hazardous Laboratory Work, Emergency and Safety Equipment, Fire Safety Management and Waste Management in Laboratory.

### **Eligibility Criteria:**

This programme is open to Faculty/Technical Staff of all branches working in Government/Aided Polytechnics. Selection of participants will be on first come first serve basis.
