D.O. No: HD 64 CID 2013

Dated: 25.06.2013

Sub: Prevention of sexual assault, rape and other related crimes on students.

Dear *San Anjmesh Gaol,*

Some cases of sexual assault and physical violence have been reported on girl students of late, and this is a matter of serious concern for the Govt and society. It is the responsibility of the state to have a system in place to combat this menace. Crime against women and girls affects them not just physically but creates untold trauma and misery. It is difficult to come out of the shock. It is necessary, therefore, to ensure the safety of the lady / girl students not just by the Govt but also by the institutions themselves.

Following are the steps that need to be taken and instructions may be forwarded to all the schools, colleges, professional/vocational institutions medical and engineering colleges, universities and places of higher learning specially where there are residential facilities and/or hostels.

- ❖ Register details of the institution and the licensed Security Service Provider with the jurisdictional police station.
- ❖ Set up a Committee of staff and Faculty with the Principal/Dean or the Vice principal as the Chairman, to redress the grievances of the girl/lady students/staff studying in the said institute. A member of the security personnel, the jurisdictional police SHO and a practicing Psychologist or Psychiatrist to be members of the Committee. The Committee should meet at least once a month.
- ❖ Encourage girl / lady students to report even the slightest suspicious behaviour by any known or unknown person to the authorities or the Committee.
- ❖ Encourage them to report receipt of obscene / intimidating/obnoxious or hate mail/ messages/ SMS/ e-mail, etc., immediately to the Committee so that a complaint can be lodged with the jurisdictional police station.

DS (HE)

*5/7/13
@ms*

(No: 10556ten/13)

- ❖ Arrange a monthly or bimonthly parent teacher interaction specially for the hostel dwellers and also the regular students where grievances can be looked into.
- ❖ Create awareness and educate them not to reveal their personal details to others whether friends or acquaintances specially by cell phone or through social networking.
- ❖ Create awareness against drug abuse and about its ill effects and not to befriend persons dealing with them.
- ❖ Licensed security agencies to be hired who will be doing rounds of the campus specially lonely areas.
- ❖ The security guards so provided must be changed once in three months at least.
- ❖ Provide sufficient lighting facility to lighten up the campus at all vantage points.
- ❖ Install CCTVs and other surveillance equipment at important places and and two persons on rotation basis to specially see and monitor the images of these equipments.
- ❖ Arrange vehicle facilities frequently for students commuting from the campus to outside city or town or hostel, etc. from the institution including the library/departments that work late in the night for the benefit of research students.
- ❖ Ensure that there are other men colleagues or teachers or boys who will be there in the vehicles so that a girl student is not the last person to be dropped.
- ❖ Ensure the presence of at least two women teachers/faculty members to accompany students when they go on educational trips.
- ❖ Create awareness among the girls to avoid lonely areas and preferably move in a group after working late hours.
- ❖ Provide a central toll free Help Line located in the office having security personnel round the clock who are trained to respond to any DISTRESS CALL
- ❖ A mobile vehicle consisting of security personnel and one or two members of the faculty on a rotation basis may do the campus rounds in the day with special emphasis at night before closing hours.
- ❖ Hostels should register the names and addresses of men visitors with a copy of their identity card as a proof before he/they escort the girl/lady

- ❖ outside the premises and also record where they plan to go or their place of visit, with contact details if any.
- ❖ Ensure that hostel inmates strictly adhere to the timings and rules laid down by the institution.
- ❖ Take any other action that may be necessary to ensure the safety of students, depending on the local situation, in consultation with the local police.

I request you to personally take this matter seriously and issue necessary instructions to all the institutes, schools, colleges etc. based on the above.

With best wishes

Yours sincerely

To:

- 1) Sri. G. Kumar Nayak, I.A.S
Principal Secretary to Primary Education.
- 2) Dr. Rajaneesh Goel, I.A.S
Principal Secretary to Higher Education.
- 3) Dr. K.H. Govinda Raj, I.A.S
Secretary to Medical Education.
- 4) Sri. Sanjeev Kumar, I.A.S
Principal Secretary to Labour Department. (I/c)
