**RE: GRATITUDE FOR THE OPPORTUNITY AND HOSPITALITY
GIVEN TO ME DURING MY VISIT TO THE B.V.V.S
COLLEGE ON 28 JULY 2018**

This is written in kind reference to my visit to the B.V.V.S College,
Bakalkot, Kenartaka State, India, on 28th July 2018.

I wish, on behalf of the Government of the Republic of Uganda and on
my own behalf, to convey my most heart-felt gratitude for the
hospitality accorded to me and my delegation when I visited your
College on the afore mentioned date.

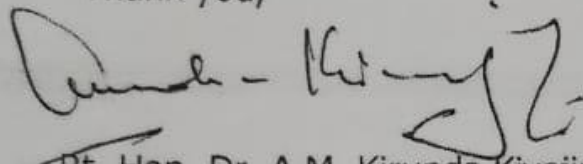

At the meeting with you and the College staff, you pledged to assist
Uganda establish a similar polytechnic in a rural setting in Uganda. I in
turn pledged to identify public land in one of the rural areas where
poverty and unemployment are high in order to provide an
intervention for skilling school drop-outs and unemployed youth. I
have since shared the project idea with the responsible Government
institutions, which have come up with a lot of ideas on this matter.

The purpose of this letter is therefore two-fold; to convey my gratitude
and that of my delegation for the hospitality and opportunity offered
to learn about the B.V.V.S College model; and to invite you to visit

the D.V.V.S model intended to be established in Uganda. It is proposed that you visit the country in January 2019, at a date of your convenience.

I once again thank you for the warm hospitality and look forward to receiving the proposed dates for your visit to Uganda.

Thank you,

Rt. Hon. Dr. A.M. Kirunda Kivejinja
